Exposure to expensive, time consuming litigation from disgruntled clients is a real threat.

It is crucial that every professional ensures his or her activities are covered by a Professional Indemnity and Public Liability Policy which has been specifically designed for their Business activities.

Increasing consumer awareness and consumer related legalisation is placing an ever increasing burden on professionals.

We are able to provide *Professional Indemnity, Public Liability, Business Insurance* & also *Business Interruption* to protect you against loss of income in any of the units that you manage.

Together with effective Risk Management strategies we are able to offer you a comprehensive / competitively priced Insurance Programme along with a Professional claims service which is second to none when you need it most.
